## 10:0 PLAYING TIME POLICY

### Playtime Policy

The purpose of this policy is to provide guidelines to coaches, players, and parents regarding playing time for Fraser Valley Water Polo Club.

### Scope

This policy applies to all Fraser Valley Water Polo Club coaches, players, and parents.

### Policy

Fraser Valley Water Polo Club is a program striving to develop the potential of each player in the Club. Playing time however should not be expected to be distributed equally whether it is in a game, or competition, select/special/invite or an international competition. It is also understood that a player may receive less or no playing time in a game due to attendance problems, violating the Fraser Valley Water Polo Club Code of Conduct and or Code of Ethics. Distribution of playing time is at the discretion of the Head Coach. The Head Coach has the authority to direct an Assistant Head Coach to address or adjust playing time.

The Head Coach has the freedom to balance between goals of individual and team skills and giving the team a successful competitive experience. Any questions regarding this policy should be directed exclusively to the Coach. The Head Coach will have the final say.
